Nice job. Here are a few edits. Just wording, nothing substantive.

Brian, Mike and Ruth, for your comment is a one pager for the Sr. Staff meeting.

Since we've not yet been assigned to do this, I'm not sure when I need comments by, but maybe COB Tuesday?

I've retained the WIFIA example here as an FYI - Kathy

Less than 10 minutes I think. It's a candidate for this Monday but again we've not received the assignment. Dave is hoping they'll look elsewhere as we've done or had a substantial role in all of the presentations given thus far.

I've attached again the other one-pagers we've sent up for these presentations.

Thanks, Ann. Ten minutes or so? And is this a candidate for Monday's OA meeting?

John – Dave indicated that the Deputy mentioned he would like for OW to do a brief presentation on 404 assumption at an upcoming OA staff meeting. I don't have a specific assignment yet but these have been coming up with a very short turnaround time so I wanted to give you the heads up so folks could get started. Again, we haven't received the assignment yet, but the Deputy has indicated his interest in it. We've done 2 presentations thus far and I'm attaching the one pagers developed for those as examples.

Please let me know if you have any questions. Thanks.
